Mission Berlin 20 – Vaivém no tempo

Anna ainda não encontrou uma solução para a charada. Qual acontecimento a RATAVA quer impedir que aconteça? Depois de voltar ao ano 2006, ela precisa ir para 1989. Será que essas viagens não são perigosas?

Antes de voltar para 2006, Anna e Paul se despedem de forma apaixonada. Restam a ela 35 minutos para cumprir a sua missão, e Anna e o jogador ainda tentam adivinhar qual será o acontecimento histórico que a RATAVA quer impedir que aconteça. De repente se torna claro para eles que os terroristas não estão interessados na construção do muro, mas na sua queda. O jogador decide que Anna deve viajar imediatamente para 1989 para vivenciar a queda do Muro de Berlim.

Ich auch? Does that mean me, too?

ANNA:

My mission is to prevent a disaster that would have serious consequences for Germany. Father Kavalier made me go back in time to August 13, 1961, which was when the Berlin Wall was started. But even back then the black helmets were after me. I took refuge in a grocer's shop where the young cashier passed me off as an old friend of hers.

FLASHBACK:

Sie sind jetzt eine alte Freundin von mir, eine Schulfreundin.

ANNA:

She took me back to her house where a young man opened the door.

FLASHBACK:

'n Abend, Heidrun. Schnell, komm rein!

ANNA:

First: I met Paul Winkler and Heidrun Drei, his sister, in 1961. Paul was dubious though. He wanted to know who his sister had brought back.

FLASHBACK:

Wen hast du denn da mitgebracht?

ANNA:

Heidrun told him that I needed their help to protect me from the black helmets.

FLASHBACK:

Wir müssen Anna helfen. Die Schwarzhelme suchen sie.

ANNA:

Second: Heidrun Drei knows about the black helmets. Soldiers were putting up barbed wire fences between East and West Berlin. We decided to go and see what was going on. Then the woman in red came. I asked Paul if he knew who she was.

FLASHBACK:

Die Frau in Rot? Die Chefin von RATAVA.

ANNA:

Third: The woman in red. Die Frau in Rot is the head of the RATAVA outfit. She went into an old brewery and hid a case in the cellar wall.

FLASHBACK:

Das Etui ist in Sicherheit. Niemand weiß, wo es ist. Außer mir!

ANNA:

She thought she was the only person who knew where the case was. But she is wrong! Fourth: I know where the case is. I just had enough time to switch hiding places. Followed by the woman in red, Paul and I got out in the underground passages and when we got back to ground level. We had a big surprise ...

FLASHBACK:

Na, hier ist aber Westberlin. – Nein! – Na, doch.

ANNA:

Fifth: We were in West Berlin. And it was impossible to get back into the east to get the case. But Paul was getting worried for me.
