

Global Media Forum 2014: Information about the Exhibition

The exhibition is closely related to the theme of the Global Media Forum and provides supplemental information about media, products, projects and campaigns to an international demographic. Here exhibitors meet high-profile, international audiences from the realms of politics, science and non-governmental organizations and a broad media environment. The exhibition is an ideal forum for networking, identifying partners and innovative products, and presenting ideas and projects. The exhibition takes place in the foyer of the World Conference Center Bonn at the heart of the congress.
