The 1,000 Eyes of Dr. Mabuse | 90 3436

English (01 x 99 min.)

“The 1,000 Eyes of Dr Mabuse” is Fritz Lang’s last “Mabuse” film (1960). As in the earlier films “Dr Mabuse” and “The Will of Dr Mabuse”, the villain is once more the mysterious criminal with, it seems, supernatural abilities. A number of unexplained deaths occur. The murder victims have all stayed at the Hotel Luxor. Do they have anything else in common?

The Bomb | 90 3955

English, French, Spanish (01 x 106 min.)

One Sunday morning, a curiously-dressed man uses a special crane to unload a long metal pipe from a truck and deposit it on a square in the heart of the city. Soon a police car turns up. The man tells the officers that the metal pipe is a bomb and will not only go off the moment it is touched, but also emits dangerous radiation. At first the police think it is a bad joke. But the man is plainly wearing protective clothing – and that, together with his tone and manner, prompts them to consider things more carefully.
