## Jojo's Search for Happiness – The Telenovela for Students of German

Jojo from Brazil has come to Cologne to study art. But that's not the only reason: Jojo is in love with Ben, a guy she met online. Ben also lives in Cologne, although Jojo hasn't actually met him yet. But once she arrives in Germany, nothing goes according to plan. Jojo's dates with Ben never work out for one reason or another. Meanwhile, she gradually gets to know her roommate Mark better. She likes him, but initially he doesn't seem that interested in having a relationship...

This telenovela, which has been awarded an eLearning Prize, focuses on issues and problems that are relevant to the lives of young people all over the world: Friendship, love and jealousy, but also career-defining choices and the desire to shape one's own future. In a series of exciting episodes, the telenovela provides entertaining insights into the lives of young people in Germany. For anyone learning German, it is an ideal way to broaden and enhance their language skills. German subtitles provide viewers with additional support in comprehension.

The telenovela is not progressively structured as a language course – each episode has its place within the story structure of the production as a whole, but can also be viewed as a program in its own right. In addition, extensive teaching materials are available online to accompany the episodes of **Jojo's Search for Happiness**: interactive exercises, texts with vocabulary lists, grammar and much more.
