## A Window on ...

Cities are more than just a concentration of houses and people. Great cities have a very special appeal – not just for their residents, but also for visitors from all over the world. It is a joy to explore their beautiful buildings and public spaces, museums, galleries, shops and restaurants. Cities are also places where people go to realize their dreams, to live and to work.

**A Window on...** takes a look at some of the most fascinating cities in the world – as seen through the eyes of people fortunate enough to live in them.
