**\* What do I do if I do not have access to a computer or smartphone, or if the Digital Registration on Entry's travel portal is not available?**

If you are unable to carry out a Digital Registration on Entry for want of the necessary technical equipment or because of a technical malfunction, alternatively you must fill out a [substitute registration on paper](#). Where no request to present the substitute registration is made (by your carrier or the authority responsible for policing cross-border traffic), you are required, within 24 hours of entry, to either complete the Digital Registration on Entry or send the completed substitute registration by post to the following address:

Deutsche Post E-POST Solutions GmbH, 69990 Mannheim
