|                                    |   |
|------------------------------------|---|
| ..., (umweltfreundlich) eben!      | ..., simply (good for the environment)!                     |
| 6500 und wir kaufen das Auto.      | 6,500 and we'll take it.                                    |
| Bis gleich!                        | See you in a bit!   |
| Das gibt's doch nicht! [ugs.]      | That just can't be!   |
| Das hört sich gar nicht gut an.    | That doesn't sound good at all.                             |
| Die Hoffnung stirbt zuletzt.       | Hope is the last to die.                                    |
| Einverstanden!                     | It's a deal!  |
| gute Frage                         | good question   |
| Hallo!                             | Hello!  |
| Ich habe da etwas für Sie.         | I have just the thing for you.                              |
| Können Sie uns einen Rabatt geben? | Can you give us a discount?                                 |
| Oh, das darf doch nicht wahr sein! | Oh, this can't really be happening! / I don't believe this! |
| Puh! [ugs.]                        | Phew!   |
| Sind wir hier richtig?             | Is this the right place?                                    |
| Viel Spaß!                         | Enjoy!  |
| weit und breit                     | far and wide  |
| Wie Sie meinen.                    | As you wish.  |
