Call for participants – online-training for Sudanese female journalists currently in the diaspora, especially Egypt

Are you a female journalist from Sudan? Are you interested in further qualification in physical and digital security? DW Akademie is offering online trainings on the following topics:

- **Physical Safety**
- **Digital Safety**

A selected team of journalists and experts will train and coach you in these workshops. The course language is Arabic. In case of English-speaking tutors, translation will be provided.

What to expect from us?

A carefully designed online course plus additional support sessions if needed.

Length of course: 5 days online in September 2023.

Course language: Arabic

What do we expect from you?

You should have journalistic experience.

Your time and dedication: participants are expected to invest a minimum of 4 hours every day during the training.

To receive the certificate, we expect you to take part in at least 90% of the E-Workshops and to finish at least 80% of your home assignments.

Please apply with a CV, work samples if available and a cover letter including the following information: your motivation to take part in the training, your current location.

Please send us your application (cover letter, CV, work samples) to:
